Grades 2–5
Hardcover
Pages 272

Ultimate Reptileopedia
Series/Collection: Reference
Crawling with fascinating facts, lively text, and tons of cool, colorful, images of the weirdest and wackiest reptiles on planet Earth, this easy-to-use 272-page encyclopedia profiles snakes, lizards, amphibians, turtles and tortoises, crocodilians, and tuatara.
9781426321023
Christina Wiludson
Grades 2–5
Hardcover
Pages 272

Watching Desert Wildlife
Series/Collection: Animals
In this book, the noted naturalist-illustrator Jim Arnosky invites young readers on his first trip to the American Southwest where he encounters Gila monsters, snakes, and lizards as well as more surprising desert dwellers such as deer and hummingbirds.
9780792267379
Jim Arnosky
Grades 4–7
Trade Paperback
Pages 32

Welcome to Mars
Series/Collection: Outer Space
In this fascinating book, targeted to middle-schoolers, hero-astronaut Buzz Aldrin challenges curious kids to think about Mars as not just a faraway red planet but as a possible future home for Earthlings.
9781426322068
Buzz Aldrin with Marianne Dyson
Grades 3–7
Hardcover
Pages 96

Ultimate Bugopedia
Series/Collection: Reference
The most complete bug reference book ever, it covers everything from prehistoric insects to today’s bugs around the world—all young fact-hound needs to discover about the weird, wacky, diverse, and fascinating world of bugs.
9781426313769
Darlyne Murawski and Nancy Honovich
Grades 2–5
Hardcover
Pages 272

When Fish Got Feet, When Bugs Were Big, and When Dinos Dawned
Series/Collection: Dinosaurs
Written in a lively, conversational style and illustrated with the author’s colorful, scientifically accurate paintings and very funny cartoons, this bind-up of three titles by Hannah Bonner takes readers back to our prehistoric world—when bugs were big, dinos dwaned, and fish got feet.
9781426321047
Hannah Bonner
Grades 3–7
Trade Paperback
Pages 128
Winter Wonderland
Series/Collection: Picture the Seasons
This charming picture book, in National Geographic's popular Picture the Seasons series, is a vibrant celebration of winter traditions and holiday events, and the magic of winter—twinling lights, glowing candles, and frosty weather drawing patterns on the windowpanes.

Zoo in the Sky
Series/Collection: Outer Space
This award-winning book captures the glittering light show of the constellations and is a great introduction to astronomy for children ages 6 to 9.

National Geographic Countries of the World: Canada
Series/Collection: National Geographic Countries of the World
In its Countries of the World series, National Geographic uses specially designed maps, photographs by award-winning photographers, lively narrative text, and more to present a vibrant portrait of each country that reflects its geography, its history and culture, and the role it plays in the current global economy.

National Geographic Countries of the World: China
Series/Collection: National Geographic Countries of the World
In its Countries of the World series, National Geographic uses specially designed maps, photographs by award-winning photographers, lively narrative text, and more to present a vibrant portrait of each country that reflects its geography, its history and culture, and the role it plays in the current global economy.

National Geographic Countries of the World: Egypt
Series/Collection: National Geographic Countries of the World
In its Countries of the World series, National Geographic uses specially designed maps, photographs by award-winning photographers, lively narrative text, and more to present a vibrant portrait of each country that reflects its geography, its history and culture, and the role it plays in the current global economy.

National Geographic Countries of the World: Japan
Series/Collection: National Geographic Countries of the World
In its Countries of the World series, National Geographic uses specially designed maps, photographs by award-winning photographers, lively narrative text, and more to present a vibrant portrait of each country that reflects its geography, its history and culture, and the role it plays in the current global economy.

Zoo in the Sky
Series/Collection: Outer Space

Order Information

Free Shipping until September 1, 2016!

Returns
If for any reason you are not completely satisfied with your order, you may return it postage prepaid (minus shipping and handling). Returns must be made within 30 days of receipt for prompt credit. We require that materials be returned in new, saleable condition, properly packaged, free from damage, and accompanied by a copy of the original packing slip or invoice. We recommend you ship your return using a trackable method (e.g. UPS, FedEx).

Billing
Billing is net 30 days FOB National Geographic Learning.

Prices
Prices are subject to change without notice. Prices shown are wholesale school prices. Prices shown are in U.S. funds and applicable only in the United States, its possessions, and its outlying areas. Payment must be in U.S. funds only.

Received Orders
Received orders require that you inform us of any damage, shortages, or other discrepancies within 30 days of delivery.

Trade Book Libraries
National Geographic Learning configures thematic and other classroom libraries that may include trade books. If a trade book goes out of print or becomes otherwise unavailable, a suitable replacement will be sourced and substituted. Purchaser retains the right to return the substituted title, or the complete library, in accordance with the Returns Policy.

Sales Tax
For customers who are exempt from paying sales and use taxes, please provide an exemption certificate with your orders. Failure to submit a sales and use tax exemption certificate may result in additional tax charges on your invoice. All other customers should add sales tax per state requirements, local tax where applicable.

Payments
National Geographic Learning accepts the following forms of payment:

• Purchase Orders (a signed official P.O. must accompany your order to use this method of payment).
• Credit Cards (VISA, MasterCard, American Express—billing address on the card must match the billing address on the order).
• Checks (payable to Cengage Learning).
• Money Orders (Cengage Learning).
