

MINDTAP

MindTap is the platform that helps teachers empower students and build their confidence.

Create a learning environment powered by you with apps that add video, audio, interactive tools and more to engage your students.

ASSIGNMENTS

Aplia

Aplia significantly improves outcomes and elevates thinking by increasing student effort and engagement.

CNOW Homework

With its engaging learning and assessment tools, *CengageNOW* supports the entire student workflow, from motivation to mastery.

InSite

Insite is a fully integrated, productivity-enhancing solution that delivers an all-in-one perspective on your students' work.

SAM

SAM trains and tests essential Microsoft Office and computer concepts skills.

Questia

Access a vast library of books and articles that instructors can add to the course learning path or ebook and students can use to research.

STUDY TOOLS

Flashcards

A classic learning tool digitally reimagined, flashcards detect the chapter a student last opened, then shows cards for that chapter.

NetTutor

NetTutor® is staffed with U.S.-based tutors and facilitated by a proprietary whiteboard created for online collaboration in education.

Notebook

Integrating Evernote technology, this app aggregates student annotations and notes into a single consolidated view.

ReadSpeaker

Text-to-speech technology offers varied reading styles and the option to synchronize highlighted text to reinforce understanding.

StudyHub

StudyHub allows students to collect their own notes and highlights, any notes and highlights shared by their instructor, glossary terms, flashcards and more into focused, printable study guides.

SHARING & COLLABORATION

MyContent

Open new instructional and engagements opportunities by sharing your own documents through Google Docs.

Inline RSS Feed

Send timely, valid feeds to students — within the Learning Path or as separate reading — with the option to add accompanying remarks.

WebVideo

Easily incorporate YouTube videos as a separate viewing activity within the Learning Path or directly within a reading assignment.

Bongo

Select *MindTap* courses include this app that lets students record, share and comment on videos to better engage in discussions, assignments and more.

Pathbrite

This ePortfolio tool helps students highlight skills and experiences from inside and outside the classroom to show that they are more than their GPA.

To learn about your particular course area, check with your **National Geographic Learning sales consultant.**

*Different assignment apps are available for different courses.
